Stephen L. Peters

Recommended by the Membership, December 9th, 2001
Ratified by the Managing Board, January 10th, 2002

1 Resolved

All auditioners, regardless of affiliation or lack thereof with either MIT or the Musical Theatre Guild, are permitted to audition for MTG productions during publicized auditions.

2 Impact

This effectively replaces the first three sentences in by-law 1994-05-01-1, "Musical Theater Guild Casting and Interview Policy", section 3.1, point 3, which read:

Only 1's and 2's are initially permitted to audition for MTG productions. If, after auditions, there are still roles left unfilled, The director may request to hold another round of auditions. In this further round, 3's are permitted to audition, as well.

with the text:

If, after auditions, there are still roles left unfilled, the Director may request to hold another round of auditions.
